(Baronage p. 231): the fifth son of Alexander Leith of Bucharne and Margaret Halket: “Charles, a doctor of medicine in the province of Maryland.”

According to John Davidson, Inverurie and the Earldom of the Garioch (Edinburgh, 1878), p. 463, “Dr. Charles Leith...who had been a practitioner of medicine in Maryland, U.S., died, unmarried, in May, 1781, at Johnston, near Laurencekirk...” (see http://books.google.com/books?id=ZgrXRMc1O-sC&printsec=frontcover#v=onepage&q&f=false)
