<b>Husband:</b>	<b>William B Williamson</b>
Born:	1865
in:	South Carolina

**Notes**

Originally, it was thought that Della's husband might be Wm. S. Williamson, s/o Wm. Williamson and Ella Sawyer Williamson. However, research suggests that William B. Williamson is the husband of Idella Jeffcoat Chaney. A census report for 1880 seems to support Della's parentage. Research continues for documentation on the parents of Wm. B. Williamson, to date (2007) unsuccessful.

Additional research needed on both persons. For hard copies of census records for Wm. B. and Della's family, see Samuel M. Poole's section of Poole Genealogy Book.

W. B. Williamson indicated in 1920 and 1930 census reports that he could not read or write. His wife, Della, could.

For copies of records for this family, see Henry Poole's section of Poole Genealogy, Tillman Poole's Children, Notebook III.
