8. *Kathie Barley <email>*, (Personal correspondence), "Electronic," Jan 4, 2000, In February my husband took a new job in Toledo with Owens Corning. We moved up here to a town called Waterville in July. Ever since then I've had so much to do with getting the house settled and things like that. It seems like every other weekend we're running back to Dayton to visit or family is running up here! Again, I am so sorry to have taken so long to get back to you. We also found out that we're expecting a new baby in May. Seems strange to have a birthdate of 00'.
