

THE BROWER FAMILY CIRCLE

Published quarterly January, April, July and October. This is VOL X
Number 4 dtd Jan 1986.

This newsletter is published with the hope that with enough interest, someone will send in the necessary information to fill out all the blank spaces in Brower-Brewer-Brouwer lines, clear back to the countries in Europe where we all originated from. At the present time, there are a lot of unanswered questions.

Anyone having Brower lineage may have their lines published here as long as they send in a release authorizing such publication. All queries are welcomed as well. The cost is being born by the undersigned in order to generate interest in the Brower line. Donations welcome.
