Dear Ms. Waltz,

Enclosed with this note is a photocopy of our records pertaining to the Waltz family. The numbers to the left of the page refer to the number in the original record book. This copy was made from a record which was compiled by Fr. Joseph H. Farran during the Winter of 1944. Since then, some of the originals have been lost in a fire at the rectory in the 1960's. What is enclosed herein is the total Waltz record we have at St. Augustine.

Death records are very incomplete during the period from 1847 when the Parish was incorporated until the 1920's. From there we have a little better time in finding necessary information.

Best wishes for continued success in your project. It is hoped that the enclosed information helps you in this. There is no charge for what we can do for you.

Sincerely,

Rev. Joseph W. Fleming  
Pastor
