

Do you know when Eugene Snr. or Marie Reiu¹²⁰ came to America? (They were married in New York City in 1903) -

My father came to the US when he was around 24 years of age, 1888 or 1889. I do not know when Marie Reiu, my mother, came over. My father Eugene F. Grand attended Engineering School in Paris, I believe the name of it was Polytechnic Institute. I do not know if he graduated. I believe he did. He didn't care for compulsory military service when it which also had something to do about coming to US and becoming a citizen as quickly as possible.

Do you know which denomination married them? Or could it have been a "justice of the peace" ceremony? -
