

My mother tells me that you had a sister named Thelma who went to France with you and your mother. What happened to her? ~~you~~

My sister's name is Thelma M Grand she is married. Has one daughter. My sister's married name is Mrs George T. Hamilton and her daughter's name is Jacqueline. The last time I heard, they lived in New York.

She was married in the early 1930's. Their daughter is around 45 years old.

Dear David:

Got your letter yesterday. They arrived OK. Thanks for the pictures. They are excellent. How answered your questions about my side of the family the last that I heard. Do not have too much contact information about my family. Hope that it will help out. Glad to hear that everything is doing well. Hope that you can make it to Colorado, you are all welcome here.

Regards
