ICE

Tuesday, March 29, 2011

7 pm at Hague Community Center

In the Adirondacks, ICE has had a substantial influence on our regional economy, culture and local history.

Caperton Tissot, regional author from Saranac Lake, will present slides and discuss her recent book, *Adirondack Ice, a Cultural and Natural History*, after which she will be available for book signing.

Refreshments will be served!

Everyone Welcome!
