

Family Questionnaire

I am researching the Charles Anderson Family. Charles lived at Sycamore, Elkhorn Creek, Pike County, Kentucky in the early 1800,s I would very much appreciate as much information as you can provide to me about his family. Of course, returning this form is not mandatory, but it would certainly help me in my research, and I would appreciate it very much.

Please return this form with as much of the information as you know to:

Family Questionnaire

Other Information: _____

There are a couple purposes for this form: First, to see if our families come from a common ancestor and second, to simply locate the various Anderson family members around the country. If you have any more information than that requested above, I would dearly love to have it. Or, if you have any pictures, certificates, old documents, etc. from the past, I would very much like to get a copy of them. Not only would they help my research but will also make the forthcoming Berdan Family History more interesting. I will gladly send a copy to anyone who responds.

Thank you very much for your time.
