Dear Librarian:

The purpose of this letter is to provide you with additional data for your genealogical section--specifically Cana Cemetery Records. The following is a portion of the letter sent to Mr. Roy D. Akins.

Second, I would like for you to consider adding John IMLAY, Susan RUTLEDGE IMLAY (his wife) and Mary Zetta IMLAY (John Imlay's granddaughter) to the Cana Cemetery Record listing. They are all buried in unmarked graves. I will present the evidence that I have acquired.

I have a copy of a letter from Etta Imlay Foster dated 1962 that states that her grandfather (John Imlay), her grandmother (Susan Rutledge Imlay) and her baby sister (Mary Zetta Imlay) are all buried in the "Caney" Cemetery in Jennings County and do not have stones. She said she recalled going to the grave yard as a small child for the burials.

Next, Mr. Nolte showed three family members (in 1984) the first book dealing with the cemetery which he kept at his home in the attic. At that time he was the superintendent of the Cana Cemetery. Within this book were the handwritten sale of lots which were not dated. I copied the following from the book for my records: "John Imlay--Lot # 55" Mr. Nolte stated that this is located four lots back on the right of the lane. "John Tobias--Lot # 57; Harry Tobias--Lot # 138" and "Seth Lewis--Lot # 112" (who appear to be ancestors) were also listed.

The third piece of evidence that John Imlay (b. ca 1823) is buried in Cana Cemetery is taken from (Wed., Aug. 3, 1881, Seymour Daily Lever). Under the heading of "Langdon news--Mr. Imley died of consumption, Sunday [31 July 1881]. His funeral was at Cana, Monday." Since the census of 1880 shows him living at this place and suffering from consumption, it apparently has to be the same man--my second great grandfather.

As for Susan Rutledge Imlay (b. ca 1824), her death record has been located. She died at the age of 77 in Grassy Fork Twp. of Jackson Co. IN on 25 Jan. 1901. Several older family members have stated that she is buried at Cana Cemetery in Jennings Co. next to her husband, John Imlay.

Then there is Mary Zetta Imlay. In an old ledger which was kept by her father, James F. Imlay states that "Mary Zety Imlay was "borned April the 26 1882," and "died November 18 = 1884."

If you require further proof as to the burial place as being in the Cana Cemetery, please let me know.

Gratefully yours,  
*Beverly Imlay Weddell*

I want to add the following... in your Cana Methodist Church Cemetery list.

Noel Edwin Wilson, b. Jan. 26, 1871 -- d. July 19, 1937

--- his wife, Cumea Carpenter Wilson, b. Apr, 2,1877 -- d. June 23, 1916

--- Samuel Asel Wilson, son of Noel and Cumea, b. Mar. 11, 1897 -- d. Oct. 17, 1987

--- infant son of Noel and Cumea, B&D. Dec. 28, 1903.

Noel's parents, Samuel and Nancy Jane Robinson Wilson are listed.

I have one last record to share. This is the only member of my family, as far as I know, that is buried in this cemetery and you don't have it listed. It is probably one of those little cemeteries that disappeared over time and again maybe don't. I have only seen the name of this cemetery once in all of my researching in Jennings County. Dorothy May Robinson, daughter of William and Dora Wilson Robinson, B&D. May 21, 1916 - Slate Schoolyard Cemetery, Jennings County.

Thank you for your time and effort in posting the cemeteries of Jennings County. They have been a big help in updating my families charts.
