 * I have tried and tried to find a death Certificate on Richard Kiser. According to Gwen Roberts (his Great-granddaughter) he lived with her grandmother, Martha Adaline Kiser Otten, until his death September 1, 1930 (census records agree with this). His body was then returned to Carter County, KY for interment at Oakland Cemetery, Carter Co., KY, beside of his wife, Ardelia Ann McCormick Kiser. During a restructure of Oakland Cemetery they lost the remains of Richard and Ardelai Kiser. Their monuments are sitting beside of the old Oakland Church, at the top of the hill (this is a beautiful cemetery). A couple of years ago I talked to Jolene Ramey (a descendent of John Kiser) about setting the monuments. She wanted \$200 to do this. That is an outrageous price. (they lost my ancestors) remains. I want to set them close to William and Lucinda McCormick (Ardelia's parents). I am going to try to get them to lower the price. I do not want these monuments to lose their historical value for future genealogists and family historians. Per: Joyce Ann Kiser 1/20/2005
