

Surname Registry

The Prospect Surname Registry is a place where you can find other people around the world or even next door who are also looking for their family in Prospect. To submit a surname please e-mail all submissions to [Nat Smith](#) . In the body of your email please include your full name, e-mail address as well as the surname you are researching, and the dates of your research. Please only submit names that are from Prospect.

Surnames of Prospect

The following is a list of all the surnames of the families that lived in Prospect between 1800 and 1901. This list is by no means complete, but it will hopefully act as a guide for those who are doing research in the area. Ideally we would like to be able to provide a page on the history of each family. Unfortunately time and space prohibit this. If you are interested in meeting other people researching a surname please consult the Surname Registry (found below).

- Barber
