12. **John Huysman**<sup>5</sup> was born about 1853 in Holland.

General Notes: The 1910 Federal Census indicates John Huysman immigrated to the United States. This census shows his birthplace as Holland, however, an earlier census indicated he was born in Belgium. This may be due to the fact that the northern half of Belgium speaks Flemish which is basically Dutch. Thus, he probably lived near the Holland/Belgium border before his immigration to America.

At Ancestry.com there is a John Huijmanns (Huysman) born 1854 in Antwerp, Belgium with death date of 1929. His wife is listed as Theodora Hooksma (1830 -1916) and one child Martin Dominic Huysman (1889 - 1974.) There is no father or mother listed for John. It is in the Schultz-Huysman Family Tree. The owner of the data file is ghuysman and has not logged on for over a year.
