Medical Pound Package.—The following effusion was found written upon the packages contributed to the Party, held in City Hall on last evening, the true spirit and merit which clearly indicate that the Pegasus author was not in Pound on that occasion.

"*Bis dat, qui cito dat.*"

He gives twice, who doth quickly give.
Whilst he lives himself, helps others live.

Speed quickly forth, my little pack,
Go on your journey go,
And may you prove a welcome guest,
Where now we want and we.
And when at ere the thankful group

Popular Election.—On Monday, instant, our citizens will be called to select members for the Common Council in the ten wards of our city. No attention is paid to our municipal affairs, although they involve the selection of those who are to give us good order and rule, besides the question of so judiciously managing the finances as to diminish

is gratifying to us to notice this enterprise on the part of Mr. S., and our city can now boast of as pretty a business as any city in the land. We hope that it will not only be a thing of beauty, but that it will be useful to our citizens and remunerative to its enterprising owner.

Injured by the Cars.—We regret to state that Mr. Robert Boone, formerly of this city, met with a painful and perhaps fatal injury whilst regulating cars at Sandy Hook, on Tuesday morning last, between 2 and 3 o'clock. He was coupling cars for the purpose of making up a train, when a bolt slipped, and he was caught between the bumpers. It is supposed that he is internally injured, and but little hope is entertained for his recovery. On yesterday morning he was removed to the residence of his father, Dr. Jerningham Boone, near Buckeys town, in this county.

Death of Hamilton W. Stier.—It is our painful duty to record the death of the above named highly respected citizen of this county, which occurred at his residence in New Market, on Sunday night last. The deceased had many warm friends throughout our county, who will regret to hear of his demise. Mr. S. was, for many years, engaged in the dry goods and grocery business in that place, and was for a number of years postmaster. His funeral will take place at New Market, this afternoon, and will be attended by the Masonic Lodges of this city.

The Maryland Farmer for February, 1878, is on our table. It has a full page plate of Berkshires, which breed of swine is becoming very popular in our county. The Farmer is well edited, ably conducted and contains articles both original and selected that cannot fail to interest and instruct the agriculturist and others. Published by E. Whitman, Baltimore, Md., at \$1.50 per annum in advance.

Thanks.—Hon. T. B. Ferguson, Fish Commissioner for Maryland, has our thanks for a copy of his report to the Governor, on Fisheries in Maryland, for the year 1878.

We also desire to return our thanks to the manager of the Emma Abbott Opera Troupe, for complimentary tickets furnished us, for last night's Opera at City Hall.
