

# INDIANA

# COUNTY FAIR

---

Come to the fair on March, twenty,  
Come with nickles and dimes aplenty.  
Be sure you keep this date in mind,  
For pleasure and laughter you will  
find.

You will see the horses caper and  
prance

And maybe too a cowboy dance.

Come one and all with an appetite,  
The eats are good and the prices  
right.

So we will look for you all,  
Everybody, great and small.

We know you will be there

To make a success of our Indiana  
Country Fair.

Ruth Birch, Grade 6-B.
