Notes for WILLIAM JOHNSON WHARWICK:

In White's Directory of Hull, 1882, on pg 327, the first entry on the page is "Wharwick W. J. foreign yeast merchant, butter factor and broker, flour and egg importer, Wood's lane, Cogan street; h 72 Colman street". On the next page, the third and fourth entries are "Whittick Thos. (Thos. & Son); h 39 Cogan street" and

"Whittick Thomas & Son, yeast merchants, &c. Scarborough street, and Wood's lane"
Under the heading "Yeast merts. and importers" on pg 464, are two entries: "Wharwick W. J. Wood's
In.Cogan st.H." and "Whittick Thomas & Son, Scarborough street, and 10 Wood's lane, H."
While Jane Ann's parents aren't given in the IGI entry, it is my guess that Thomas Whittick is her father and
William married into the business.
In the 1899 and 1913 Kelly's Directory, under "Private Residents" is "Wharwick William Johnson, Rydal
villa, Southfield".
Thomas Whittick is on Wood's lane in the 1823 Baine's Directory & Gazetteer of the County of York, Vol II,
North & East Ridings.
Whittick Thomas, yeast agent is on Wood's lane in 1857 Post Office Directory of the North and East Ridings
of Yorkshire 1857.
Cogan Street today appears to be roughly parallel to Ferens Way (A1079) and crosses Hessle Rd. (A63).
The highest street numbers are closest to the Humber Estuary.

Notes for MATTHEW BOAK:

Kelly's Directory of the North and East Ridings Yorkshire, with the City of York, 1893:

In Malton: "Boak Matthew & Son, photographers, Market place"

In Pickering: "Boak & Sons, printers & booksellers, Market place"

In Bridlington Quay: "Boak & Sons, photographers, 5 Promenade"

In Great Driffield: "Boak Matthew & Sons, photographers, 57 Middle st. south"

I think that Matthew and his 2 sons have opened businesses in Malton and Bridlington Quay as photographers and that probably one of them operates each of the locations. The printers in Pickerington are probably another family entirely.

The Bridlington and Quay Gazette is at 6 Promenade.

In 1881, 5 Promenade is occupied by George Atkin, a fruiterer and his wife, Florence, and daughter, Elizabeth.

In 1881, Market Place, New Malton is loaded with professionals. The Temperance Hotel at this address is kept by Mary J Hall, the wife of Edwin Hall, a photographer. Their daughter, Elizabeth is also a photographer.

This is probably one of his photographs: http://www.beckislemuseum.co.uk/gallery/work/workers_5.shtml

In 'Kelly's Directory of the North and East Ridings of Yorkshire, 1913, part 1', under photographers, there were 2 entries: "Boak Johnson, Pier studio, Coatham, Redcar" and "Boak Miss M. 15 Promenade, Bridlmgtn"

4. MOSES⁵ TOPHAM (*FRANCES⁴ JOHNSON, WILLIAM³, CHRISTOPHER², JOHN¹*) was born 15 Jan 1836 in Weaverthorpe, East Yorkshire, England^{173,174,175,176,177,178,179,180}, and died Bef. 1952¹⁸¹. He married EMILY CARTER^{182,183} 16 Aug 1862 in Cannon St. Chapel, Louth, Lincolnshire, England¹⁸⁴. She was born Abt. 1843 in Louth, Lincoln, England^{185,186,187,188}, and died Bef. 1959¹⁸⁹.

Notes for MOSES TOPHAM:

It's probably Moses living with his mother and step-father in Weaverthorpe in 1851. The index indicates his age at 45, but it should be 15.

In the History, Gazetteer and Directory of Lincolnshire, 1856 and the P.O. Directory of Lincolnshire for 1861, there is a Mrs. Jane Topham living at "Uagate" in Louth. The P.O. Directory of Lincoln for 1868 shows Mrs Topham at 88 Uagate. She seems to be gone from White's History, Gazetteer and Directory of Lincolnshire, 1872.

In Kelly's Directory of N & E Ridings of Yorkshire, 1893 (Part 1, places), Moses is a farmer at High Bonwick, one of 2 farms in Bonwick, Skipsea.

In the 1899 Kelly's Hull Directory, pages 553-555 are for South Cave. Moses Topham is on the Parish Council and a farmer at Mill Farm.

In 1913, Mrs. Emily Topham is on 9 Albion Road, Bridlington (Kelly's Directory of N & E Ridings, part 1). This was in the listings for boarding houses.

Probably another Moses Topham, but in the Directory of Leeds, Bradford, Huddersfield,... 1866, on pg 554, under "Bradford Directory" is " Topham Moses, spinner and manufacturer, Cross lane mill; h 163 High street" and on pg 601, under "Bradford worsted manufacturers", is "Topham Moses, Fawcett Holme mill"

In 1871, Prudence Carter, aged 22, born Louth, is living with the family as a Draper's Asst. Frances is not with the family. In 1881, Bertha and Florence are not with the family. They are boarding in Louth at 2 George St. with Harriet J Carter, who seems to run a boarding house, but "no Occupation" is given. Mary A Tiley and Fanny Pridmore are also boarders. In 1891, only Francis, Edgar and Harold are at home. Emily Florence and Jessie are boarders at 23 Enginegate in Louth with Mary Tiley and Harriet J Carter.

Is it possible that Harriet is Emily's sister? They are of a similar age and Edgar's middle name is Carter. There is a St. James' School at Enginegate for girls and infants. In 1896, John J Browne is the resident at 23 Enginegate (Kelly's Directory of Lincolnshire, 1896).

More About MOSES TOPHAM:

Baptism: 15 Jan 1836, Weaverthorpe, East Yorkshire, England^{190,191}

 Occupation 4: 1901, Farmer & Horse Breeder¹⁹⁷

 Residence 3: Bet. 1881 - 1891, High Bonwick, Bonwick, York, Eng^{200,201}
 Residence 4: 1901, Mill Farm, South Cave, ERY, England²⁰²

Notes for EMILY CARTER:

Her surname is most likely Carter, since two daughters were with a family of that name in 1881 and they had a servant of that name in 1871. Then Emily Carter is the only Emily being married in the same quarter as Moses Topham.

In Kelly's "Directory of the North and East Ridings of Yorkshire, 1913", there is an entry: "Topham Emily (Mrs.), boarding house, 9 Albion road" in the Bridlington alphabetical, commercial section, with a similar entry under trades in the boarding house section.
